

Catholic Physicians Guild of Dallas April Newsletter

Dinner with Bishop Burns June 18

Please save the date for a special meeting this coming June 18 - the Guild will be hosting dinner with Bishop Burns. Last year Bishop Burns was gracious to spend time with us in an intimate setting where he conversed with every member present. Afterwards he gave a brief talk and then had an open forum time for those present. We look forward to meeting him again this year. The event will take place at 7 PM at St. Rita Catholic Church in the St. Rita Commons Room

CMA Physician Offers Medical Perspective on Christ's Passion

“Christ emptied himself,” Dr. Timothy Millea told about 100 people at his home parish of St. Paul the Apostle in Davenport. “As a surgeon, two words that make our hair stand on end are ‘bleeding out,’” he said. “If you can’t stop it, you can’t keep that patient alive.”

Millea, an orthopedic surgeon with offices in Iowa and Illinois, is president of a local chapter of the Catholic Medical Association for members in those two states.

He said an adult male has about 1.5 gallons of blood and that the loss of 40 percent of that blood can lead to hypovolemic shock, a life-threatening condition. Jesus likely surpassed that threshold after repeated beatings through the night, an intense scourging at the hands of Roman soldiers that included wearing a crown of thorns and having nails driven through his upper wrists and feet.

CMA hosts pilgrimage to Italy

If you have not made summer plans yet, consider the CMA's pilgrimage to Italy. There will be visits to Basilica of St. John the Lateran, Basilica of St. Mary Major, Mass with the Holy Father, tour of the Vatican Museum and the St. Peter's Basilica, and a pilgrimage to Assisi.
