This month representatives of the Guild (Dr. Cesar Termulo) and the St. Basil Society (Kristin Kuhn, MS2) were interviewed on KATH 910 for the radio station's "Interview of the Week."

Most of the interview was spent promoting the Guild and the St. Basil Society and communicating the

activities and motivations of both organizations.

Thanks to Dave Palmer, general manager of the station, who took time for the Guild.

## Pope Francis: Prayer Is Not Simply Saying Words 'Like a Parrot'

In daily Mass, Pope Francis touched on the importance of prayer and forgiveness in the life of a Christian, warning against common attitudes that "close the door" to God.

"The Lord tells us: 'The first task in life is this: prayer.' But not the prayer of words, like a parrot; but the prayer of the heart: gazing on the Lord, hearing the Lord, asking the Lord," said the Holy Father during his Oct. 8 daily homily.
